3. The graph below presents the employment patterns in the USA between 1930 and 2010. Summarise the information by selecting and report in the main features, and make comparisons where relevant.

Write at least 150 words

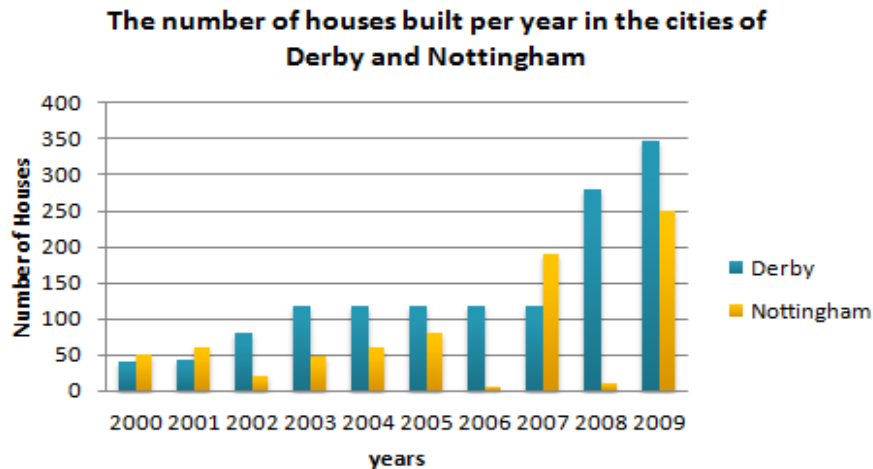

You should spend about 20 minutes on this task.

4. The diagram below shows the number of houses built per year in two cities, Derby and Nottingham, between 2000 and 2009.

Write a report for a university lecturer describing the information shown below.

Write at least 150 words.

You should spend about 20 minutes on this task.

5. Summarize the information by selecting and reporting description of the correlation of the table that follow.

Write at least 150 words.

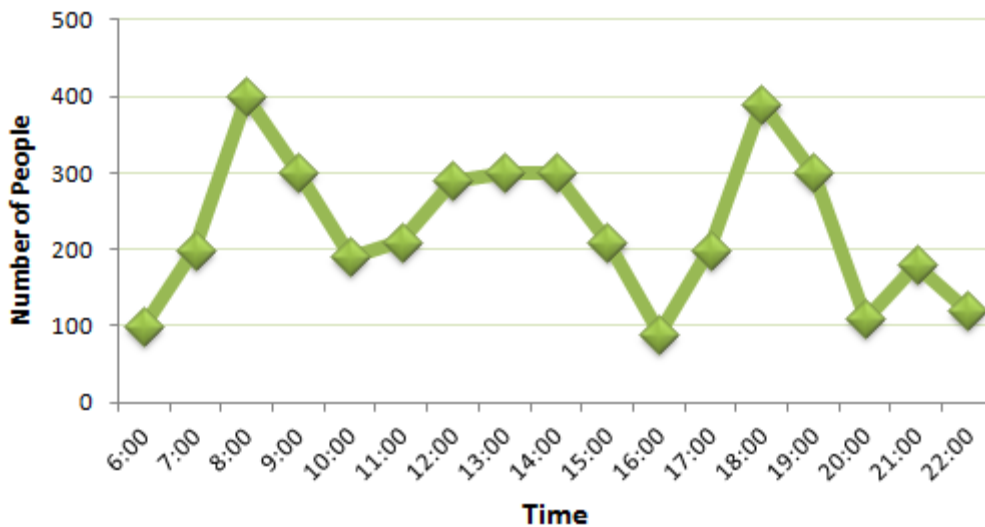

Alcohol-Related Deaths 2005				beers consumption per capita, 2002 (litres)
	Total	Male	Female	
Lithuania	125,000	112,000	13,000	91
Ireland	582,000	413,000	169,000	104
Czech Republic	1,369,000	900,000	469,000	132
Canada	580,000	505,000	75,000	86
Estonia	383,000	332,000	51,000	98
Germany	1,185,000	986,000	200,000	107
Austria	913,000	783,000	130,000	106

You should spend about 20 minutes on this task.

.....

6. The line graph shows Paris Metro station passengers. Summarise the information by selecting and report in the main features, and make comparisons where relevant.

Write at least 150 words

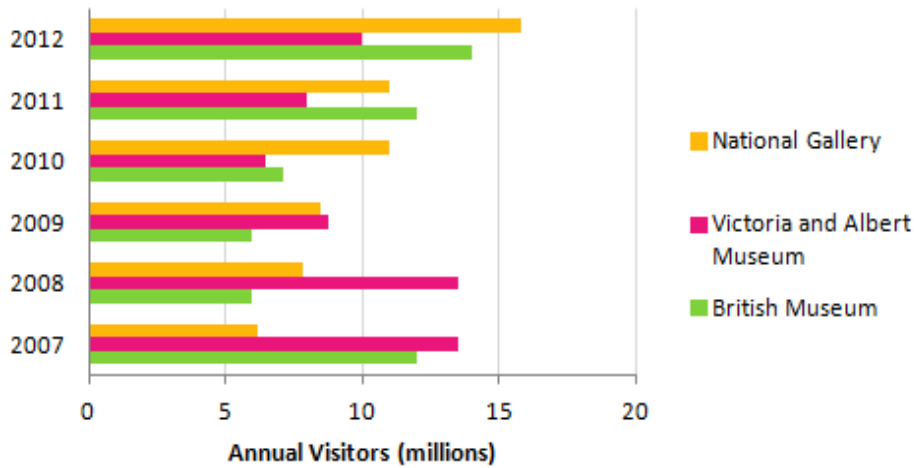

You should spend about 20 minutes on this task.

7. The bar chart shows the number of visitors to three London Museums between 2007 and 2012. Summarize the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words

**Museum Visitor Numbers, 2007-2012**

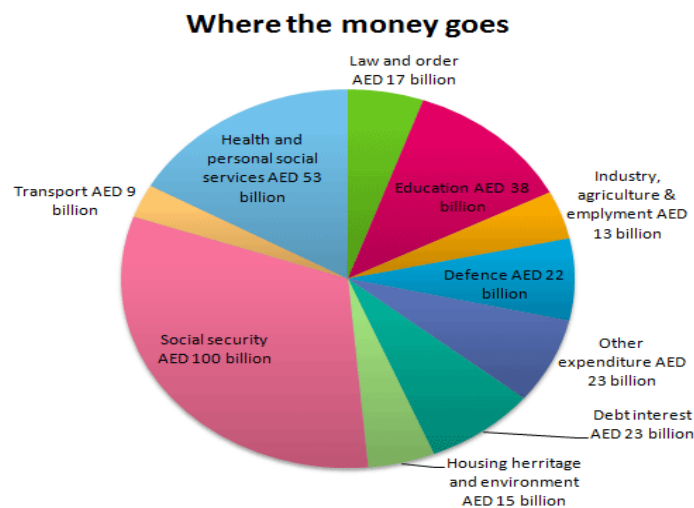

You should spend about 20 minutes on this task.

8. The pie chart gives information on UAE government spending in 2000. The total budget was AED 315 billion.

Summarize the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words

You should spend about 20 minutes on this task.

9. The table below highlights data on the number of travelers using three major German airports between 2007 and 2012.

Summarize the information by selecting and reporting the main features, and make comparisons where relevant.

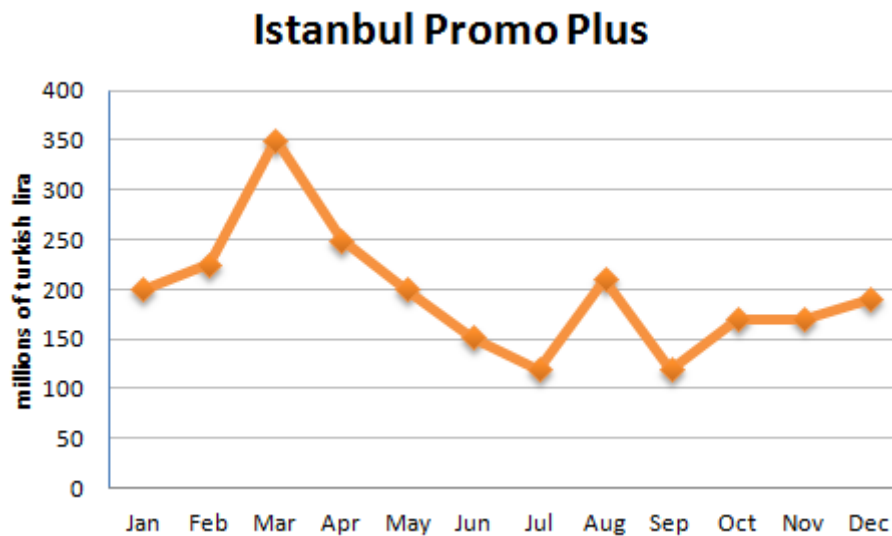

Write at least 150 words.

Airport visitors, 2007-2012 (millions of travelers per year)

	2007	2008	2009	2010	2011	2012
Dusseldorf	27.2	36.4	48.2	37.1	33.2	45.6
Frankfurt	36.5	41.9	44.4	47.3	51.1	69.3
Berlin Tegel	17.3	26.6	39.9	43.3	43.3	43.3

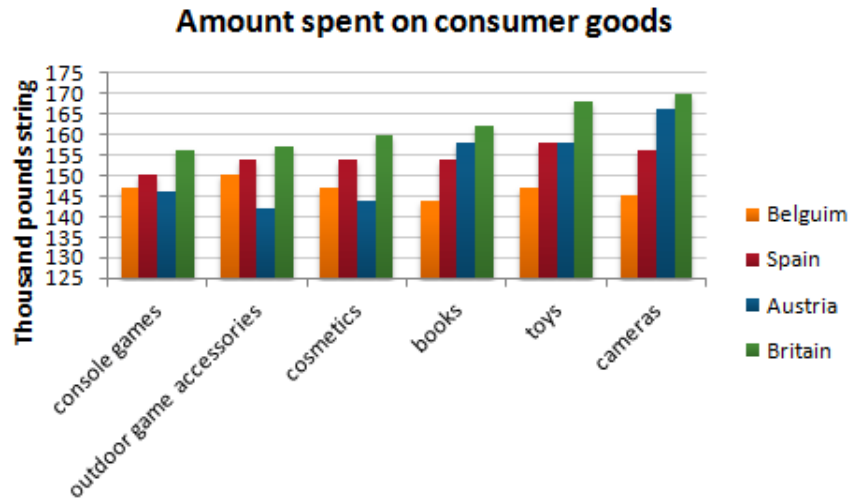

10. The chart below gives information about “Istanbul Promo plus” sales in 2007. Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words

You should spend about 20 minutes on this task.

11. The bar chart below give information about five countries spending habits of shopping on consumer goods in 2012. Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

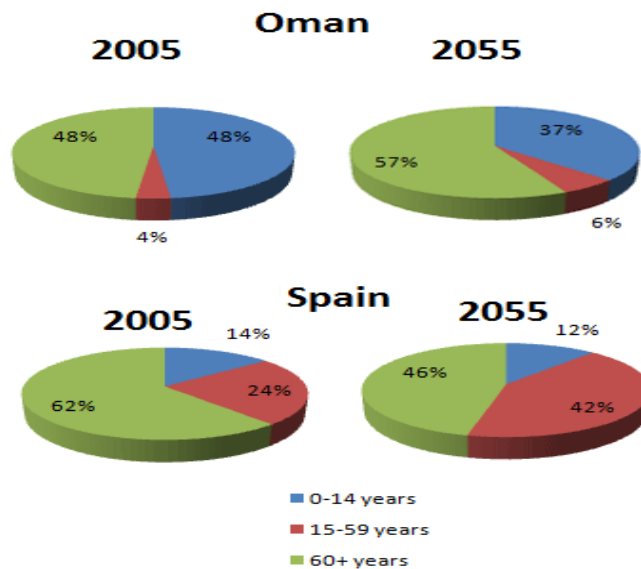

Write at least 150 words.

.....

12. The pie charts below give information on the ages of the populations of Oman and Spain in 2005 and projections for 2055. Summarise the information by selecting and reporting the main features and make comparisons where relevant.

Write at least 150 words

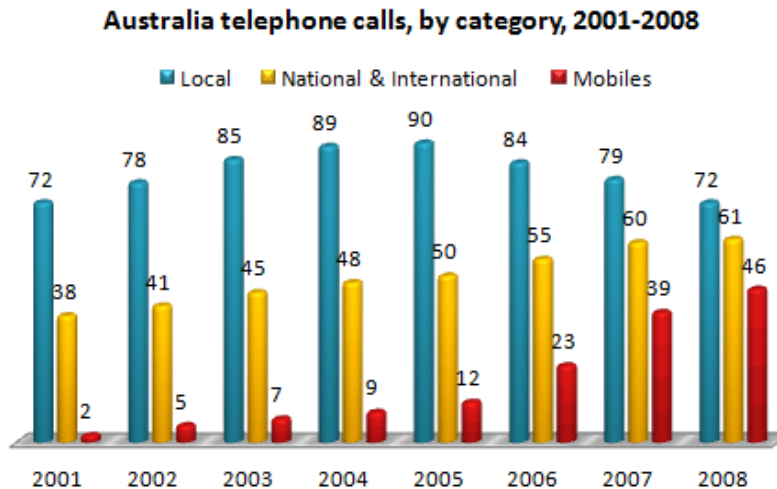

You should spend about 20 minutes on this task.

13. The bar chart below shows the total number of minutes (in billions) of telephone calls in Australia, divided into three categories, from 2001- 2008.

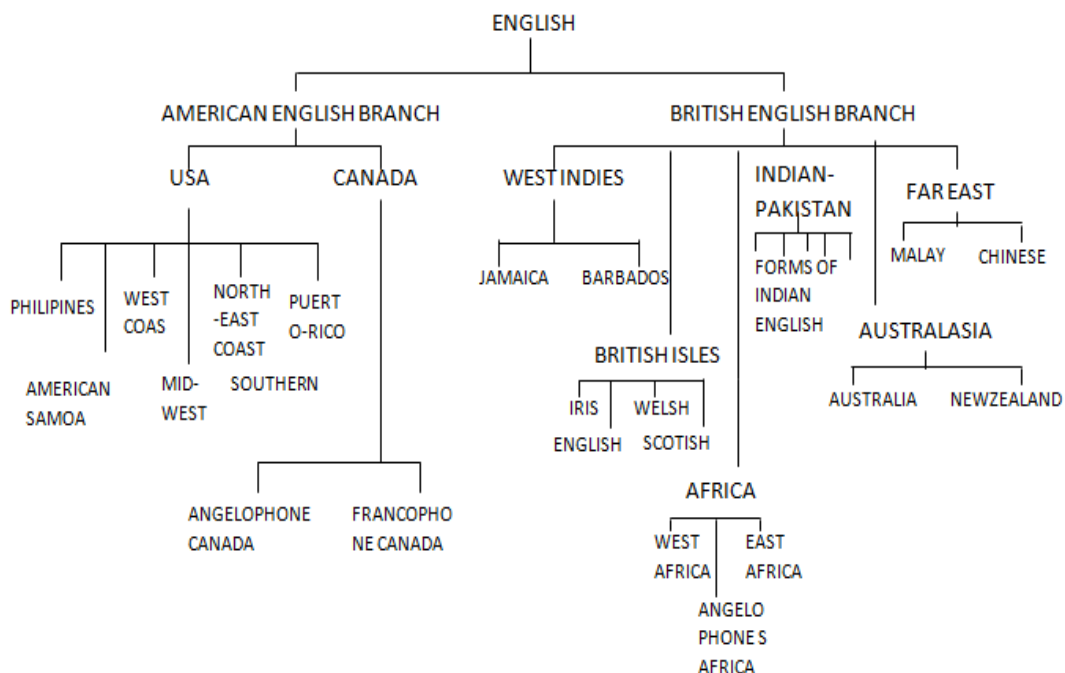

Summarise the information by selecting and reporting the main features and make comparisons where relevant.

Write at least 150 words

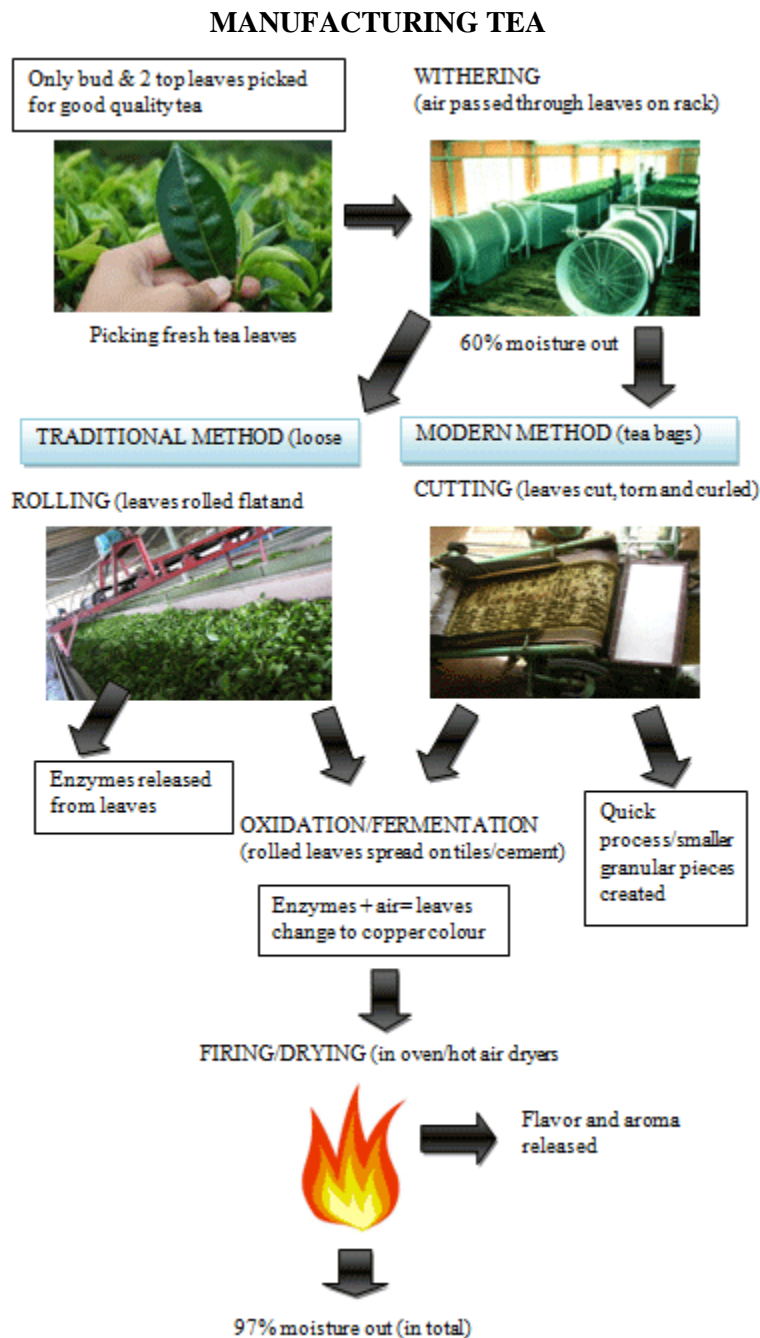

14. The diagram shows the relationship between a numbers of different languages. Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words

15. The diagram below shows two different processes for manufacturing black tea. Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

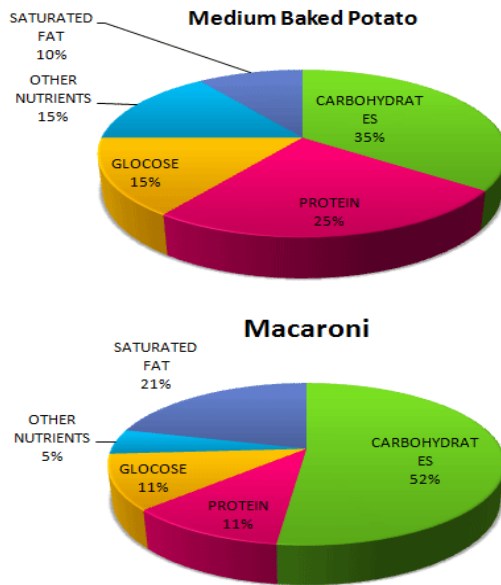

Write at least 150 words

You should spend about 20 minutes on this task.

16. The pie graphs show the nutritional consistency of two dinners. Write a report to a university lecturer describing the data. Write at least 150 words

You should spend about 20 minutes on this task.

17. The flow chart below shows an automatic photo booth. Summarise the information by selecting and reporting the main features and make comparisons where relevant. Write at least 150 words

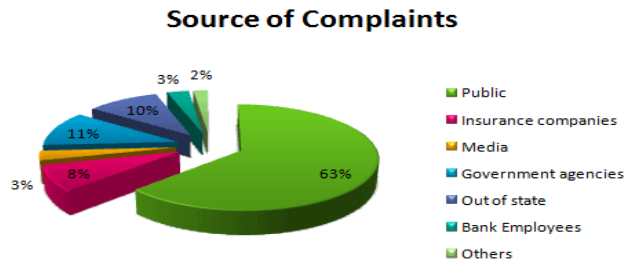

Automatic Photo Booth

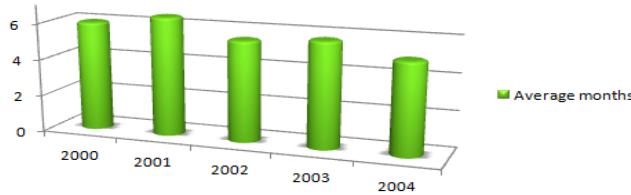

18. The graphs indicate the source of complaints about the bank of America and the amount of time it takes to have the complaints resolved.

Summarise the information by selecting and report in the main features, and make comparisons where relevant.

Write at least 150 words

**Average Time from Investigation Data to final Action**

You should spend about 20 minutes on this task.

19. The table below gives information about changes in modes of travel in Netherland between 2001 and 2006.

Describe the information in the table and make comparisons where appropriate.

Write at least 150 words.

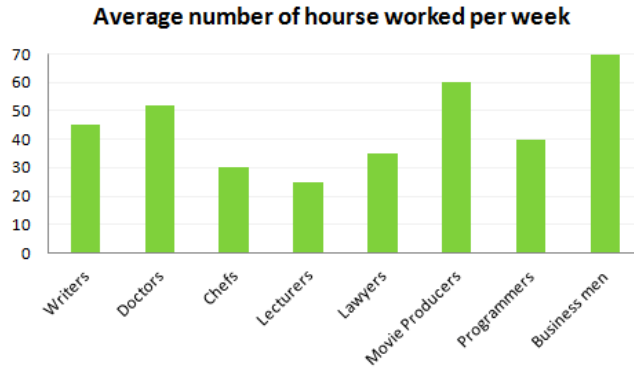

**Average distance in miles travelled per person per year, by mode of travel**

	2001	2006
Walking	255	237
Bicycle	51	41
Car	3199	4806
Local bus	429	274
Local distance bus	54	124
Train	239	366
Taxi	13	42
Other	450	585
All modes	4740	6475

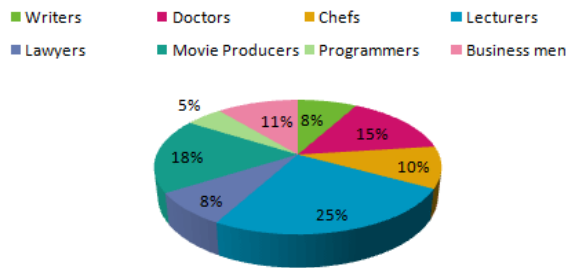

20. The graphs show figures relating to hours worked and stress levels amongst professionals in eight groups.

Describe the information shown to a university or collage lecturer.

Write at least 150 words

**Occupations of people suffering from stress related illness**

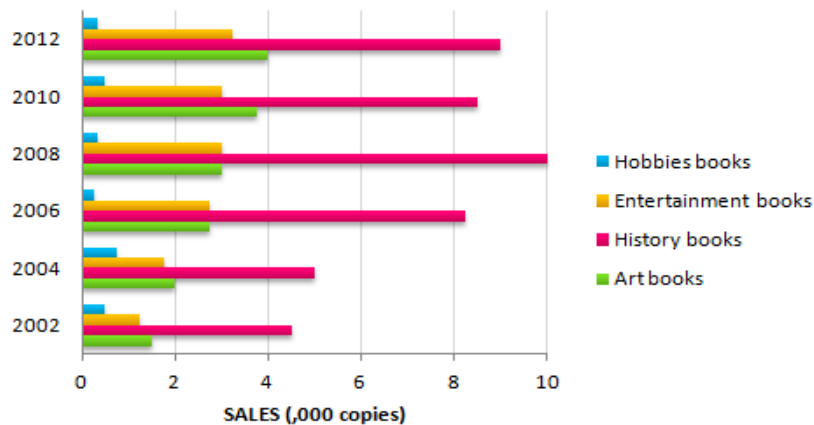

You should spend about 20 minutes on this task.

21. The bar graph indicates sales figures for reading materials from 2002 to 2012.

Write a report to a university lecturer describing the information shown below.

Write at least 150 words

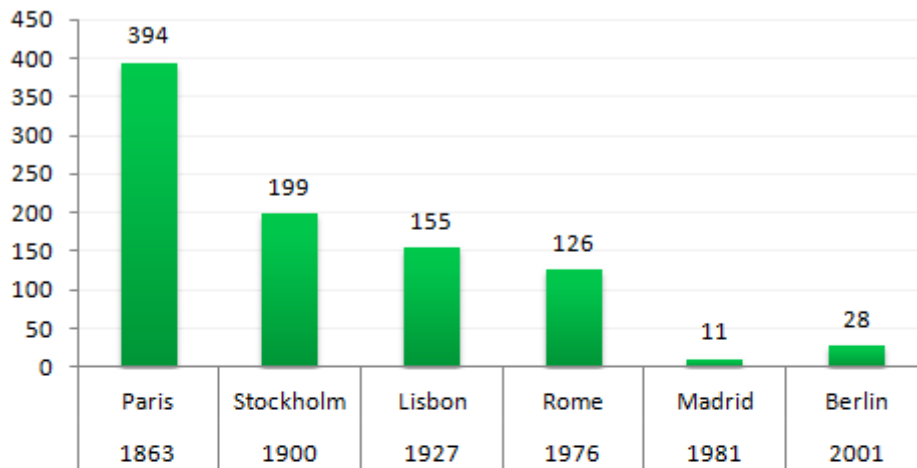

You should spend about 20 minutes on this task.

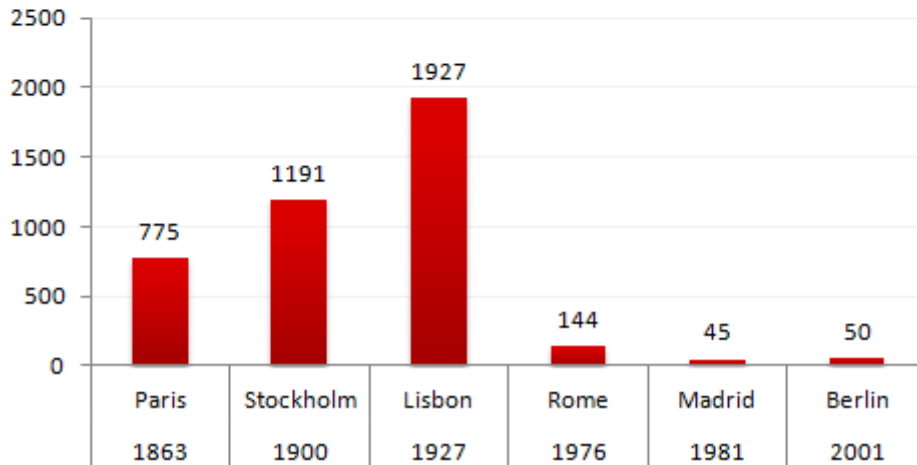

22. The bar charts below give information about the railway system in six cities in Europe. Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words.

**Kilometers of route**

**Passengers per year(in millions)**

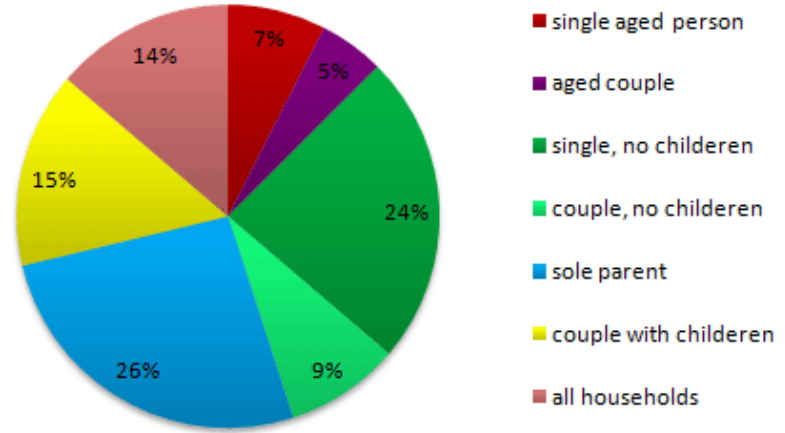

You should spend about 20 minutes on this task.

23. The pie chart below shows the proportion of different categories of families living in poverty in UK in 2002.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words.

**Proportion of people from each household type living in poverty**

You should spend about 20 minutes on this task.

24. The graphs show changes in spending habits of people in UK between 1971 and 2001.

Write a report to a university lecturer describing the data.

Write at least 150 words.
